Dear Emma,

On behalf of the American Heart Association, I want to thank you and NBC30 for your support of the 2006 Greater Hartford Heart Walk and specifically for your contributions to this year's walk, including production and airing of the psa, coordinating coverage with the news department and arranging for Sean Phillips to emcee.

As you know, money raised from the Greater Hartford Heart Walk helps to support American Heart Association cardiovascular education and community programs, advocacy and research and the mission to reduce disability and death from heart disease and stroke.

The Greater Hartford Heart Walk was a huge success, with about 3,000 walkers attending, raising approximately \$375,000. Please know that your efforts are continuing to help fund research, find answers and save lives. It is always a pleasure to work with you and the NBC30 team.

With heartfelt thanks,

Dear Friend of the Kids,

Thank you for your fundraising efforts for the August 15, 2004, New England Ride for Kids®. Thanks to your efforts, and those of other motorcyclists, more than \$66,973 was raised to support the programs of the Pediatric Brain Tumor Foundation. The Pediatric Brain Tumor Foundation is committed to finding the cause and cure of children's brain tumors. In addition, we are providing a network of support to assist the families of children affected by this dreadful disease.

We continue to celebrate the fact that children with this disease have an increasingly better chance to live a longer and more meaningful life. Your efforts are a huge part of the reason for this improvement. Today, the Pediatric Brain Tumor Foundation has become the largest non-governmental funding organization for children's brain tumor research in the world. With your continued support we will find a way to end this disease.

Enclosed please find a commemorative plaque as a token of our appreciation for your efforts to support the New England Ride for Kids®.

Sincerely,

Keith R. Knapp

Dear Friends:

Thank you so much for your generous donation of a live broadcast and radio ads valued at \$2000 to benefit *Locks of Love*.

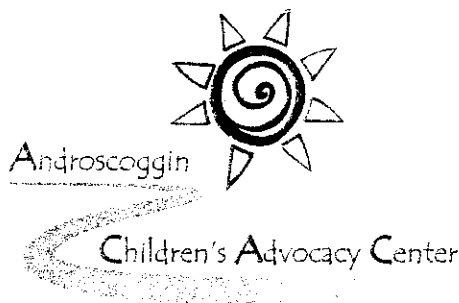

*Locks of Love* provides children suffering from long-term hair loss with custom, vacuum-fitted hair prostheses. Most of the children helped by organization have lost their hair due to a medical condition called alopecia areata, for which there is no known cause or cure. We also help burn victims, cancer patients and children with a variety of medically related causes of hair loss. The hairpieces we provide give them the tools to rebuild their self-esteem, enabling them to face the world and their peers.

On behalf of the many children whose lives you will touch, thank you.

Very truly yours,

Re: 2006 Children's Chair-ity Auction

Dear Ryan:

Thank you for being the Master of Ceremonies for the Children's Chair-ity Auction on September 10th. While the final tally is not yet in, it appears that we netted about \$4000 for the children's advocacy center! This is substantially more than we made at last year's auction. These funds will help us continue to provide services for vulnerable children and their non-offending caregivers.

Certainly this year's event also heightened our visibility in the community. We really appreciated all the radio announcements on WABK! It is also noteworthy that Mrs. Baldacci and three legislators came to the auction. Senator Peggy Rotundo and Representative Elaine Makas each bought a chair. Representative Margaret Craven attended the event.

As we have discussed, I hope to organize a small group of "Friends of the CAC." This group would include people like you with media/public relations and/or fundraising experience who would be willing to brainstorm about additional fundraising ideas for the center. I will call you when I get this effort underway.

Keep up the good work. Thank you for your personal encouragement and all your help! Every act of support is greatly appreciated.

On behalf of the Rockland Rotary Club, a sincere thank you for contributing to the 20<sup>th</sup> Annual Rockland Rotary Marcel LaCasse Memorial Golf Tournament. We were blessed with a sunny, but windy, day and the event was a success. We had nearly 100 golfers who participated.

Your contribution assisted us in raising over \$14,000 in scholarships for students at local area high school students. As we gave out scholarships at graduation this year, it is clear to us that our schools are producing some outstanding students, many of whom will return to the Mid-Coast area and contribute to our communities.

We understand that you are asked to provide donations to many organizations and we truly do appreciate your contribution to our event. Thank you.

Dear Mr. Orne,

On behalf of the Kiwanis Club of Rockland Maine, I want to thank you sincerely for the generosity your station has shown in providing free advertising for our various fundraisers, as well as publicity during the course of the year. Your civic-mindedness has enabled us to maximize what we can put back into the community.

As you may be aware, our primary emphasis is young children, and in support of them we have contributed financial support to several playgrounds in our area, including Kiwanis Park on Warren Street in Rockland, which our members built and maintain. Through the Kiwanis Pediatric Trauma Institute we provide annual training to Midcoast medical care professionals on the special needs of pediatric trauma. We have also provided special pediatric care kits for 5 area ambulances, which serve Rockland, Owls Head and South Thomaston, as well as the Knox County Mutual Aid System. We sponsor a Little League baseball team and a PeeWee basketball team annually, support the Soapbox Derby Association, and provide an ongoing program through the Rockland Library called "Dinner a-Story". We also have an annual Bicycle Safety Rodeo (which has grown into a family safety day), which typically draws about 125 participants. For the older kids, we support a Builders Club at the Rockland District Middle School; a Key Club at the Rockland District High School (we have high hopes for a second Key Club at another area high school this fall); we send kids to Boys State and Girls State and HOBY leadership training; and provide several thousand dollars worth of scholarships for graduating seniors in two high schools.

With support such as yours, we can continue and do more. Again, many thanks.

Dear Don:

Thanks so much for your support of the MS 150 Bike to the Breakwater. The interviews with Frank Henerson, team captain of one of our largest bike teams, presents a fantastic opportunity for us to promote the bike tour in central Maine.

While the Bike Tour's hub is Saint Joseph's College we do have cyclists participate from throughout Maine, including mid-coast and central Maine. The more publicity we receive, the more cyclists we can attract, and help fund better treatments and eventually cure for MS. We had 402 cyclists register this year (a number of them were new to the tour) raising over \$300,000, something that's pretty difficult considering the overall economic climate.

I also want to thank you for opening the doors with Sue Patten at Maine Matters in Bangor. Her interview also was a great help to our mission: to end the devastating effects of multiple sclerosis.

Thanks again, and I'll be in contact in a few months about the 2004 Walk - it'll be here before we know it (April 18, 2004).

Dear Don:

On behalf of the Maine Chapter, National Multiple Sclerosis Society, I would like to thank you for promoting the 2003 Manpower MS Walk on several Clear Channel stations. To date, the MS Walk has raised \$482,322, and monies are still coming in. Statewide, over 4,000 people registered for the event, the largest number ever.

We couldn't have achieved our goals without your help. Thanks so much for working with Kit Parker and Nancy Sargent. Camden alone brought forth 250 registered walkers that raised a projected \$25,000. Radio exposure is very important to the MS Society. It helps increase awareness about multiple sclerosis and why it is so important that we raise money to find a cure. Radio also helps us to promote the MS Walk as a fun event, an event that people will want to support year after year.

Next year's Manpower MS Walk is set for Sunday, April 18, and we're already laying the groundwork for our 2004 event. Thanks so much for your terrific support and we hope that we can work together promoting this worthwhile cause in the future.

Dear Don:

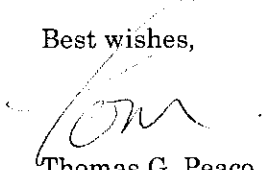

Let me thank you once again for your generous support of the Make-A-Wish Foundation of Maine. We hope that you'll join us for our first-ever Annual Meeting & Recognition Dinner on Saturday evening, November 9. We have much to celebrate!

- The Make-A-Wish Foundation of Maine is **10 years old**, and we just fulfilled **400<sup>th</sup> wish** over those 10 years!
- During the past 12 months, **88 seriously ill Maine children** were granted their greatest wish~ a **47% increase** over the prior 12 months! For the first time in history, we fulfilled at least one wish in every county in Maine over a 12-month period.
- Referrals of new children continue to grow, and we believe that **next year over 100 seriously ill Maine children** will have their greatest wish fulfilled.
- We are blessed with the support of well over **300 volunteers** statewide, and we are always seeking additional volunteer support.

Our Annual Meeting & Recognition Dinner will be an opportunity to recognize our strong Make-A-Wish supporters, hear from some of our Make-A-Wish children and their families about their experiences, and hear a keynote address from Linda Berge Pauling of Scottsdale, AZ, mother of Chris Greicius. Chris's wish to become a police officer in 1980 was the inspiration for the founding of the Make-A-Wish Foundation. This will be a night to remember.

Please come and help us celebrate our 10<sup>th</sup> anniversary! We do anticipate selling out, so please respond ASAP. Please fill out the enclosed form or call the Make-A-Wish office for reservations. I look forward to celebrating our successes with you!

Best wishes,

Dear Donald,

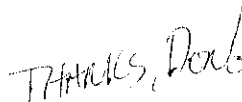

Thank you so much for your support during the 2001 calendar year your additional donation of radio public service announcements during month of December. We show that you have indicated the value of your gift to be \$1,240.00. Donations such as this provide great benefit in helping the Make-A-Wish Foundation® of Maine stretch our dollars in support of Maine's Special Children.

As you may know, Make-A-Wish of Maine continues to grow at a rapid rate. We have completed over 300 wishes since our founding in the fall of 1990. The word continues to spread about the tremendous work of our dedicated volunteers, which touches the lives of Maine children living with threatening illnesses. Your support plays a significant role in helping us to bring the healing power of a wish into the lives of Maine children in need of a miracle.

We are so grateful to you for your generosity, and hope that our relationship continues to merit your support.

Sincerely,

Dear Mr Shields

Thank you so much for your generous gift of \$1240.00 to the Make-A-Wish Foundation of Maine for the broadcast of our public service announcement. Your gift has been put to work in bringing the power of a wish to Maine with life-threatening illnesses. We are so very blessed by your commitment to our cause.

The Make-A-Wish Foundation of Maine has just completed the successful year in our 8-year history. In 2000, the number of wishes granted grew by 62% over 1999, meaning that 63 deserving Maine children received hope, strength and joy delivered by a wish come true. While we are thrilled to share the power of a wish with so many children, we are most proud of our continued ability to provide a top-quality, personalized experience for each individual wish child and family - an experience that ranks among the most significant and memorable in their lives. Our volunteers and staff take great pains to ensure that each child's wish is tailored to their particular desire, providing an experience that none of us could buy on our own.

You have made it possible for us to share the magic of Make-A-Wish with children and families across Maine, and to change them in a positive way forever. I do hope that your heart is warmed by the knowledge that you have been a significant part of delivering the life-altering power of a wish to deserving Maine children and their families.

Best wishes,

Mr. Peter Orne  
WRKD-WMCM Radio  
15 Payne Avenue  
Rockland, ME 04841

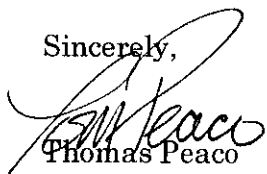

Dear Peter,

Thank you so much for your support of our children through contribution of Radio Public Service Announcements. We show that you indicated the total value of your gifts to be \$12,185.00 donated January 1, through December 31, 2000. Donations such as this provide great benefit helping the Make-A-Wish Foundation of Maine stretch our dollars in support of Maine's Special Children.

As you may know, Make-A-Wish of Maine continues to grow at a rate. We have granted over 255 wishes since our founding in the fall of 1984. The word continues to spread about the tremendous work of our dedicated volunteers, which touches the lives of Maine children living with threatening illnesses. Your support plays a significant role in helping bring the healing power of a wish into the lives of Maine children in need of a miracle.

We are so grateful to you for your generosity, and hope that our continued support will merit your support.

Sincerely,

  
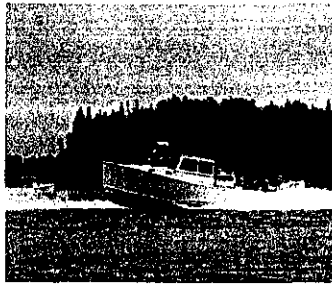

Thomas Peaco  
Executive Director

*Dear Bob:*

*On behalf of the Friendship Lobster Boat Race Committee, I would like to thank you and your crew personally for broadcasting during this year's race. I've heard many favorable comments on the coverage for the races. I'll be sure to alert you early on next year of our meetings, so we can get a jump on your needs for sponsors.*

*We were able to bring the total collected to benefit the Friendship Ambulance Service to over \$12,500, from just the boat racing event. It certainly has proven itself to be a beneficial asset to the day's activities.*

*We're all looking forward to next year, and again, thanks so much for helping us out.*

*Sincerely,*

*Penny*

Ms. Kelly Slater  
General Manager, WIGY-FM  
150 Whitten Rd  
Augusta, ME 04330-6021

Dear Kelly:

On behalf of the Ad Council's Board of Directors, I would like to thank you for WIGY-FM's invaluable support of the Ad Council's PSAs. For the past year, your station, WIGY-FM, has repeatedly demonstrated an outstanding commitment to improve the lives of your listeners. By donating valuable airtime to a variety of pressing social issues, you have distinguished your station as a caring resource for your community.

As a result, we are proud to report that in 2004, Clear Channel's radio stations collectively gave over \$138 Million in donated media toward Ad Council PSAs. This unprecedented partnership between the Ad Council and Clear Channel Communications has sustained momentum in 2005, and will continue into 2006 and beyond. This support allows the Ad Council to deliver our critically important messages to the public, ranging from education and health to community well-being and environmental preservation.

To commend your generosity, we have mailed a letter to Congressman Allen, saluting your wonderful support of the Ad Council's PSAs (please find enclosed). This is one small gesture to thank you for your commitment to public service.

The Ad Council is more than a single organization. As it has been from the start, it is a unique collaboration of the media, ad agencies and corporate donors. Broadcasters such as WIGY-FM have been indispensable partners of the Ad Council for years and we cannot thank you enough.

Thank you for your steadfast dedication to public service and commitment to improve your listeners' lives and communities.

Should you have any questions regarding this letter, please contact Kate Emanuel, the Ad Council's Senior Vice President for Nonprofit and Government Affairs at [kemanuel@adcouncil.org](mailto:kemanuel@adcouncil.org) or (202) 331-4152.

Warmly,

**Peggy Conlon**

Hi!

Huge thank you to all who volunteered to spend a beautiful Saturday in Skowhegan helping to raise money for Camp Postcard at the 2006 TOS Rock Relief show!

In addition to the TOS air staff...

Thanks for your work at the front gate, Sharon and Gayle!!!  
Thanks for helping out at the Merch Booth and doing whatever else needed doing, Colleen!!!  
Thanks for working the Merch, helping on stage and everything else you did, Tina!!!

Your efforts collected \$2075 to help the 5th and 6th grade children in the Camp Postcard program! Many of these children don't have as many happy times as they should. Because of you they are this much closer to having everything they need to enjoy a week at camp, swimming, making new friends, laughing, joking and talking with grownups who are there just for them. You've made a difference...

You are all so fun to do these outside projects with! I had a great time...Hope you did too!!

Thanks again!!!!!!!!!!!!

**Subject:** What happened to your Signal in Portland?

Hey, I just had a quick question for you. I am a long time listener and can no longer pick up your station in Portland. All I get now when I tune to 105.1 is WOP2, some jazz station. Please don't tell me you guys changed formats? Anyway, any insight you could provide would be appreciated.

Thanks,  
Barry
